UNCOMPROMISED SECURITY

EMERGENCY SOLUTIONS

IP INTERCOMS FOR EMERGENCY RESPONSE

In critical situations, every second matters. The IX|IXG Series provides instant, reliable emergency communication between those in need of assistance and security personnel. Our solutions deliver everyday security to protect people in parking garages, on campuses, and around public spaces.

EMPOWER SAFETY WITH AIPHONE'S EMERGENCY COMMUNICATION

OPEN STANDARDS

SIP CALLING

Place or transfer calls to security operation centers or emergency services with SIP.

INTEGRATION

Integrate third-party IP cameras and video management systems with ONVIF.™

INTUITIVE & DURABLE

ADA COMPLIANT

Easily discern stations with identifiable bright LED lighting, red call button, and prominent braille signage.

WEATHER & VANDAL RESISTANT

Call stations withstands harsh weather conditions and high traffic areas with its durable stainless-steel design.

INSTALLATION & MONITORING MADE EASY

FLEXIBLE INSTALLATION OPTIONS

Delivers reliable power with hardwired or solar setups for any application and environment.

DEVICE CHECK

Verify status of emergency station camera, speaker, call button, relay inputs, and outputs to ensure consistent performance.

SEAMLESS INTEGRATION WITH LEADING SYSTEMS

Genetec™ LENEL·S2 milestone

ALERTUS® tyco | Software House

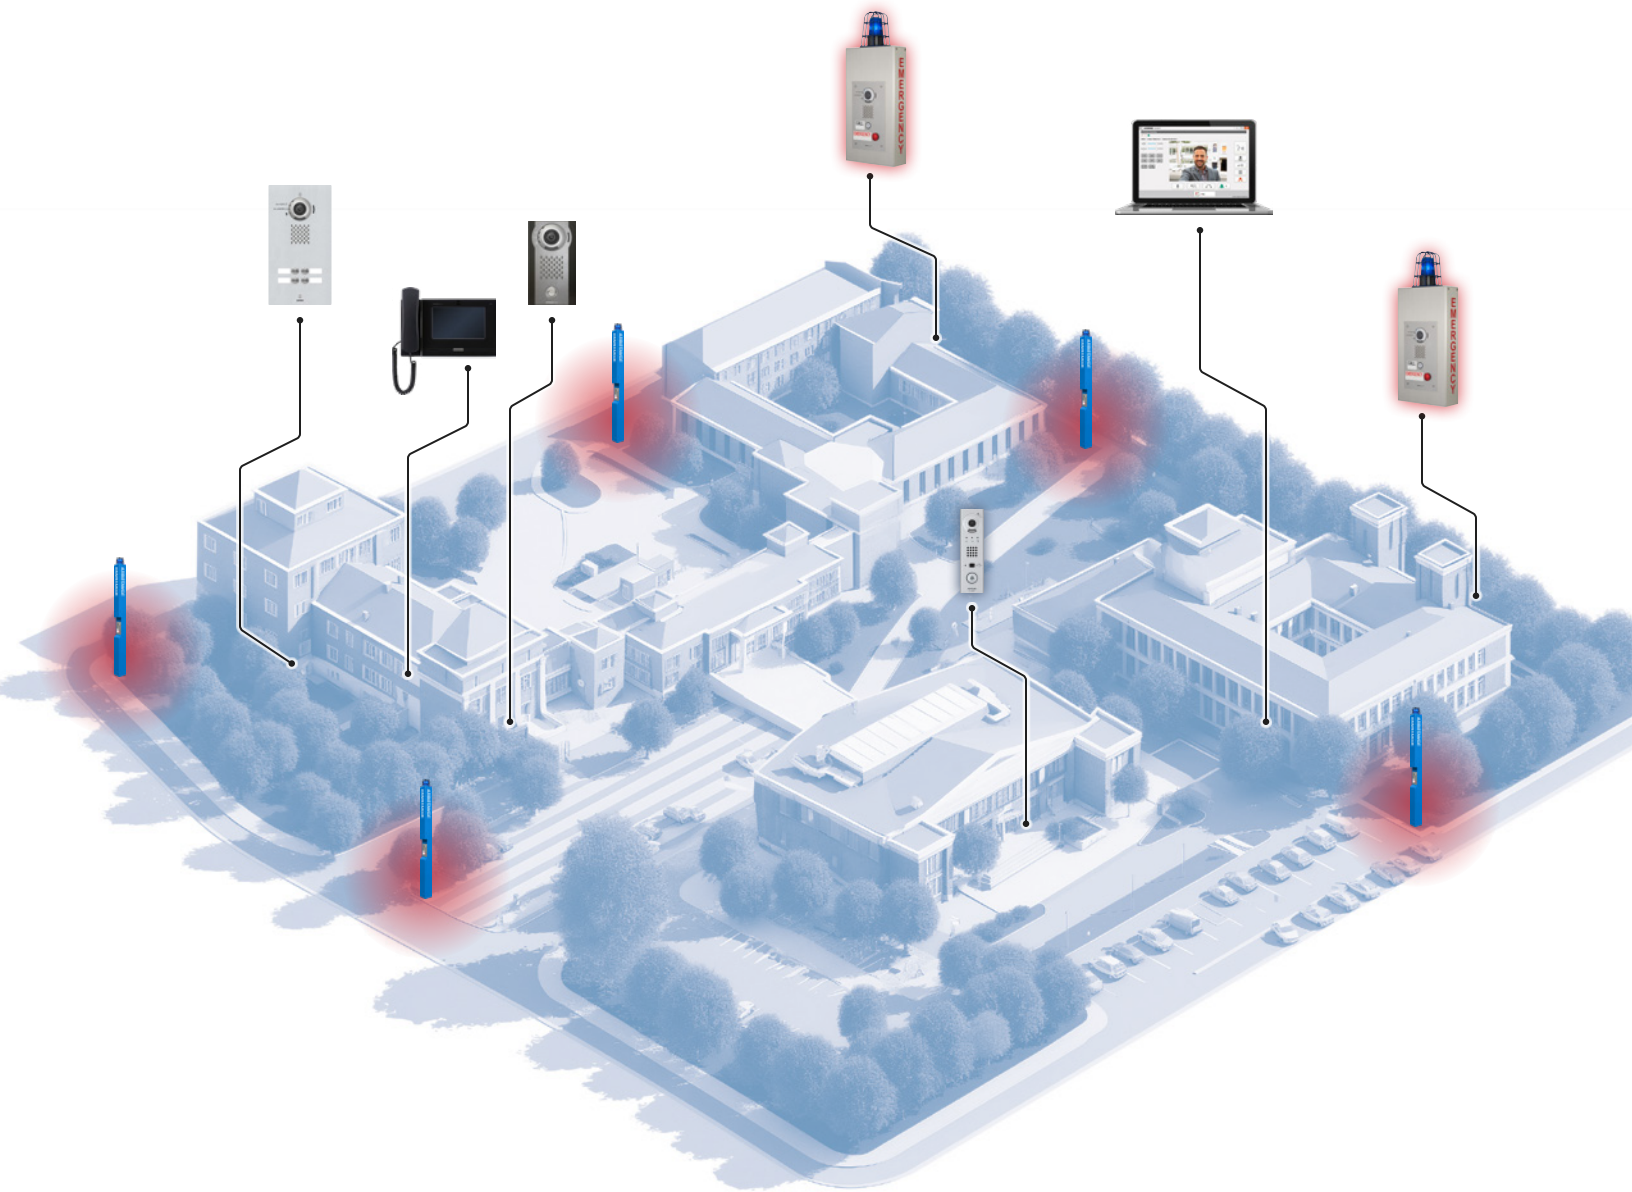

Aiphone's emergency solutions easily integrate with industry leaders like Genetec, Lenel S2, Milestone, Tyco Software House, Alertus, and more. These integrations ensure efficient management of intercoms, video surveillance, access control, and alarm systems, enhancing overall security.

Our intercoms are SIP and ONVIF® compliant, allowing seamless interoperability with leading providers of IP cameras, video management systems, and access control. This open architecture empowers you to build a customized security ecosystem that evolves alongside your needs.

CREATE A COMPREHENSIVE SECURITY ECOSYSTEM

Secure your premises with the IX|IXG Series IP Video Intercom System.
One solution for security communication, emergency response, and access control.

EMERGENCY STATIONS

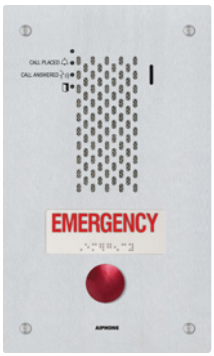

IX-DVF-2RA IX-DVF-RA

IP Video Emergency Call Station

11-11/16" H x 7" W

- HD camera
- ADA compliant raised lettering and braille signage
- Button(s) for standard and emergency calls
- PoE passthrough
- 2 contact outputs, 6 trigger inputs
- IK08, IP65

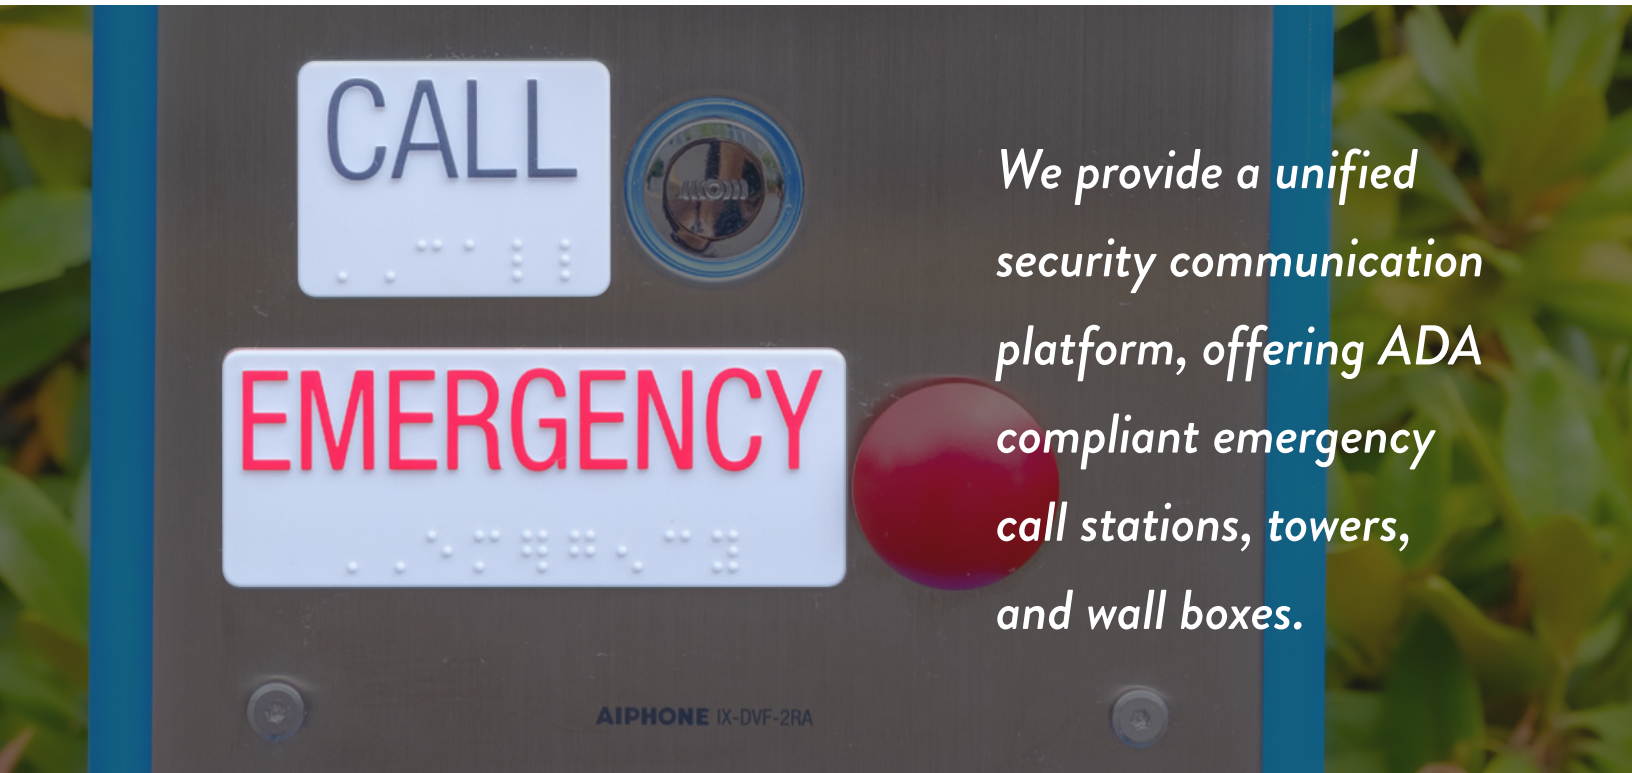

IX-SSA-2RA

IP Audio Emergency Call Station

11-11/16" H x 7" W

- ADA compliant raised lettering and braille signage
- Buttons for standard and emergency calls
- PoE passthrough
- 2 contact outputs, 6 trigger inputs
- IK08, IP65

French versions available: IX-DVF-2RA-FR, IX-DVF-RA-FR, IX-SSA-2RA-FR, IX-SSA-RA-FR

We provide a unified security communication platform, offering ADA compliant emergency call stations, towers, and wall boxes.

ANSWERING STATIONS

IX-MV7-HB IX-MV7-HW-JP

Touchscreen Answering Stations with Handset

8-1/16" H x 11" W x 2-3/16" D

- 7" touchscreen
- 8 customizable speed dial buttons
- 2 contact outputs, 4 trigger inputs
- Audio and video recording capability
- Wall or desk mount

IX-MV7-B IX-MV7-W

Touchscreen Answering Stations

6-3/4" H x 8-11/16" W x 1-1/4" D

- 7" touchscreen
- 8 customizable speed dial buttons
- 2 contact outputs, 4 trigger inputs
- Audio and video recording capability
- Wall or desk mount

IXG MOBILE APP

- Video calling and answering
- Door release and relay control
- Intuitive user interface

IX-SOFT

PC Answering Station Software

IXW-MAA-SOFT

Multi-Purpose Adaptor with PC Answering Station Software

- Complete answering stations features
- 50 highly customizable speed dial buttons
- Record custom message pages
- Interactive map
- Line supervision and device check

IX-MV7-HB-L

IX-MV7-HW-JP

IX-RS-B
IX-RS-W

WALL BOXES & TOWERS

WB-CA WB-CE

Compact Wall Box with Cage

26" H x 10-9/16" W x 4" D

- 12-gauge stainless steel
- ADA compliant 4" depth
- UL Listed electrical box allows power to be installed internally

WB-HA WB-HE

Compact Wall Box with Hood

27" H x 10-13/16" W x 4" D

- 12-gauge stainless steel
- ADA compliant 4" depth
- UL Listed electrical box allows power to be installed internally

TW-SA TW-SE
Short Tower

73" H x 8" W x 8" D

TW-TA TW-TE
Tower

112" H x 8" W x 8" D

TW-TA-ARM TW-TE-ARM
Tower with Camera Arm

174" H x 8" W x 15-3/4" D

TWS-Z4
Zone 4 Solar Tower Set
(also available for Zones 1 and 2)

Tower: 132" H x 6" W
Solar Panel: 26-1/2" H x 58-1/3" W x 1-3/8" D

- Aluminum tower with 5052 aircraft grade aluminum electrical enclosure
- Solar panel and batteries for power
- Ubiquiti wireless point to point for network connectivity

TW-TA-SP TW-TE-SP
Tower with Speaker

TW-TA-ARM-SP TW-TE-ARM-SP
Tower with Camera Arm and Speaker

- Durable, lightweight aluminum makes installation easy
- UL-514-A listed electrical box included at the base
- ADA compliant intercom mounting height
- Beacon is always lit and strobes during emergency call-in
- LED for station illumination in station over-hang
- Camera arm has universal pipe threading

ACCESSORIES

TW-MKL
L-Bolt Mounting Kit

24" long, 3/4" diameter

- Designed to securely mount Aiphone towers into a concrete base
- Includes mounting template to transfer onto plywood for easy installation
- Sold separately for pre-installation convenience

MB-RF1
Retrofit Mounting Box

11-3/4" H x 8-1/2" W x 1-1/4" D

- Interface box for mounting an Aiphone emergency station onto a Code Blue® or Talk-A-Phone® tower/wall box

PS-POE
PoE Splitter

3-1/4" H x 2-1/2" W x 1" D

- Powers strobe light on emergency towers and wall boxes via PoE instead of using a separate power supply
- Compact design is discrete and easy to install
- Easily secures to mounting studs on back of stations or 1-gang box

IXW-MAA
Multi-Purpose Adaptor

4-1/4" H x 8-1/4" W x 2-3/8" D

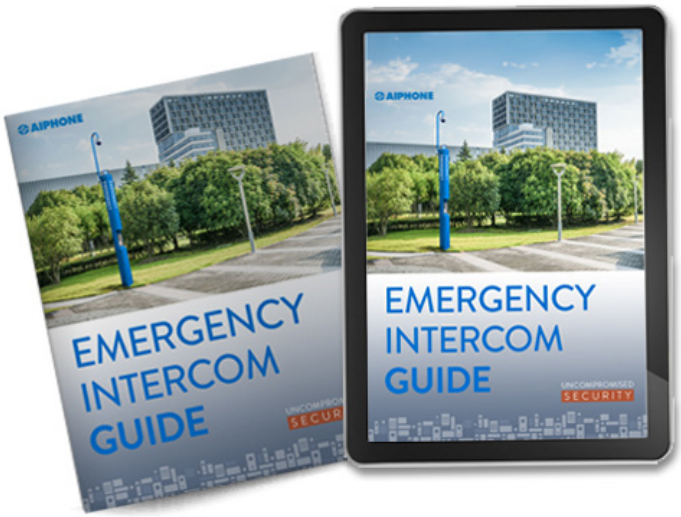

- PoE
- 10 Form C relay outputs
- 24V AC/DC 500mA relay contact rating
- Mountable to a 170mm DIN rail or directly to a wall
