## GT-1C7W Compatibility

---

Entrance Panel Model	Compatible with GT-1C7W
GF-DA/B	No
GH-DA	Yes
GT-DA-L	Yes
GT-DM, GT-DMA	Yes
GT-DB, GT-DB-VN	Yes
GT-DMB-N	Yes

### A Note on Power Requirements

GT-1C7W tenant stations wire back to the bus controllers in the same way as other GH and GT Series video tenant stations. However, they need additional power to operate, since they use a constant Wi-Fi connection for the mobile app features. This can either be provided by a dedicated PS-2420UL power supply for each GT-1C7W, or up to four can be powered by a GT-4ZP Distribution Adaptor with a single power supply.
